

# Call for Papers: NEMO European Museum Conference

Lahti, Finland | 19-21 November 2023

The NEMO European Museum Conference 2023: and... ACTION! Museums in the climate crisis will explore how museums can contribute to climate action and sustainability by exploring sustainability strategies, risk management and ways to make museums futureproof. **NEMO invites you to shape the conference by submitting an innovative and forward-thinking proposal for the Museum Slam on Stories of Action.**

Share your story of action and what learnings you made from acting for climate change. Similar to the slam format, we want professionals to reveal their steps into action, be it with an elaborate long-term strategy or with a spontaneous hands-on approach. We are looking forward to hearing what was learned, what had to be adjusted and what did not work out at all.

We encourage you to use new entertaining, participative or learning formats, that maybe even looks into the future: 30 years from now, what has your action changed? Five projects will be selected to each do a 5-minute presentation each. Your proposal should not exceed 400 words. Conference fee and 2 hotel nights are included for selected speakers.

## Submit the following information:

- ✓ Presentation abstract (subject, content, method)
- ✓ Name of the author
- ✓ Organisation and country
- ✓ Title of submitted proposal
- ✓ Synopsis of the proposal
- ✓ Biography of each presenter (max. 100 words)
- ✓ Send your proposal until 15 September 2023 to [office@ne-mo.org](mailto:office@ne-mo.org)
